Team Name: Team4 (PantryPal)
Report Number: Mar 17 to Mar 23
Reporting Week: 10

Summary of work completed in prior week:

Worked on documentation and chose and began to initialize the back-end. Completed some front-end testing.

Summary of work planned for next week:

Fully initialize the database. Do database testing. Set up Docker container. Finish 1st draft of SRS file.

Open issues and action plan to resolve them:

Database: Figured out what we are going to use. Started to initialize.
Documentation: Goal to finish SRS 1st draft by next meeting.
